## 5e Dmg Campaign Map Hex Paper

Generate a random world map with mountain, forest, and city hexes Generate random magic shops with items from the DMG.. These include standard travel times for a group traveling at a normal pace 5e DMG Hex Map Templates.. They suggest that for the widest scale (which they call 'Mapping a Continent') that you should use about 60 miles per hex.. More Wallpapers of Dnd Close Save changes Save changes. This will make a world a bit smaller than Earth, but still something plenty big for a campaign.. Random Treasure Generator There are some guidelines in the DMG for mapping your world, starting at page 14.

Hex Map Templates Based On 5e DMG (with Coordinates I've created color-coded hex map grids representing the Province, Kingdom, and Continent scales recommended on page 14 of the D&D 5th edition Dungeon Master's Guide.
